#### WHAT'S NEW

##### ● Board Chair Andrews to Direct NLC's New Equity Initiative

This week, Leon Andrews, chair of the ChangeLab Solutions board of directors, began directing Race, Equity And Leadership (REAL), a new initiative at the National League of Cities (NLC). Andrews brings to the position the wealth of experiences and expertise...

##### ● RWJF Report Highlights Nine Years of NPLAN Success

This week, the Robert Wood Johnson Foundation (RWJF) released a report highlighting the achievements of ChangeLab Solutions' childhood obesity prevention program, the National Policy and Legal Analysis Network to Prevent Childhood Obesity (NPLAN). The report...

##### ● Resources For Developers To Build Health Into Their Projects

The places we live, work, play, and go to school have a profound effect on our health. People who lack opportunities to get physical activity, access public transit, buy fresh and healthy food, or live in safe housing are also more likely to suffer from...

##### ● Lancet Series: Popular Support, Healthy Policies Required to Combat Obesity

Global progress toward tackling obesity has been "unacceptably slow," with rates of child obesity rising dramatically worldwide in less than a generation, according to a major six-part series on obesity published in The Lancet today. ChangeLab Solutions' CEO...

##### ● Former Board Member Jackson Receives Reed Award

Last month, ChangeLab Solutions' friend and former board member Dick Jackson, MD, MPH, was named the 2015 recipient of the prestigious Henry Hope Reed Award, which will be presented next month in conjunction with the Richard H. Driehaus Prize in architecture...
